

Little Lamb

Little Lamb is a Psychedelic Rock and Roll Band, made up of Tad Hynes, Sunny Dhak, Kurtis Urban, Colin McDonald and Dan Boychuk.

They were formed in Calgary, AB Canada during the summer of 2017. Their debut, self-titled LP was released August 19, 2017 shortly after forming the band.

Little Lamb has an eclectic style, ranging from Psychedelic folk to hard rock. An ambient trip, driven by wandering bass lines, cosmic guitar riffs and three-part vocal harmonies. Heavily influenced by artists like Neil Young, CSNY, The Beatles, Buffalo Springfield, Harry Nilsson as well as bands like Alice in Chains, Soundgarden and Nirvana, Little Lamb's sound is a perfect blend of 60's Psych-rock and 90's hard rock.

Following the release of their debut LP, Little Lamb has played a handful of shows in Calgary including Big Winter Classic 2019 and Frog Fest 2019 in Rocky Mountain House AB.

They have played with bands such as Slim Hawley, The Bitterweed Draw, Black Phoenix Orchestra, The Suppliers, Dane, Cheer, The Wheel, Aruba and Double Fuzz.

More Recently, Little Lamb has finished recording their second LP titled, Elephant Shoe Two, which was released in October of 2019.
